## MESSAGE FROM THE OWNER:

Perhaps you have noticed our sleepy little town is starting to awaken. A new 3-lane highway and budding businesses like the Laundromat, FAR Horizons Gallery, Bee Sweet Snowball Stand, Roux 25, the new Giddy Up Markets and a Wholesome Folsom Cultural Center (*coming soon!*) assist in our Village's development. With growth comes opportunity and sometimes growing pains. Speeding vehicles and illegal mufflers find themselves in that latter category and are safety issues. Please remember to "Slow your Roll". Consider reaching out to village leadership to help improve things if you agree. Thank you for participating in making our space special and safe for all. Enjoy our new live music series in the woods and continue to GIDDY UP!
